ZEPPELIN RAID ON ENGLISH COAST

WIDE TERRITORY VISITED BY SIX
OR SEVEN OF THE GERMAN
DIRIGIBLES.

NOT VERY MUCH FIGHTING

Russians Drive Turks Back and Go to
Plains for Winter Quarters.
Some Artillery Battles.

London.—A Zeppelin air raid on the eastern, northeastern and midland counties of England has followed closely the attacks on Paris by German dirigibles. The British war office which now controls the defenses at London against air attacks, announces that six or seven air craft took part in the latest raid, but the towns or villages visited and the nature of the damage inflicted have not been made public.

After having driven the Turks from a region about 4 miles in length in Asiatic Turkey to the West of Lake Van and put them to retreat down the Mush Valley, the Russian seemingly have ceased their operations in this particular vicinity for the Winter. It is announced by Petrograd that the Russians here will be able to leave the rigors of the mountains and descend into the plains, "which are favorable for the encampment of our troops for the period of the winter." The Russian official communication confirms previous statements that the Turks, to the northwest of this region, have been driven in upon the fortifications of Erzerum.

AT MILWAUKEE AND CHICAGO.

Great Crowds Hear President Plead For Preparedness.

Milwaukee, Wis.—A throng of 9,000 persons, the largest that has greeted President Wilson since he started on his present tour, cheered him lustily here when he said he believed the danger of a division of domestic sentiment was past and added that he never doubted that the danger was exaggerated.

Referring to this nation's desire for peace the president gave his hearers the pledge that, "God helping me, I will keep it out of the war if it is possible."

"I want at the outset to remove any misapprehension in your minds," said the president. "There is no crisis, nothing new has happened. I came to confer with you on a matter which we should confer on in any event. We should see that our house is set in order. When all the world is on fire the sparks fly everywhere."

Chicago.—The United States has made preparations for immediate war as far as the navy is concerned, although the present naval force is inadequate in size. President Wilson declared in an address before several thousand persons in the auditorium here. "We mean business," he said in speaking of the preparedness plans of the administration.

"We have given to the present fleet of the United States an organization such as it never had before. I am told by Admiral Fletcher," the president said. "And we have made preparations for immediate war, so far as the navy is concerned."

"The army," the president said, "as at present constituted is not large enough even for the ordinary duties of peace."

McCumber Amendment Defeated.

Washington.—The McCumber amendment to the Philippine bill which would withhold independence from the Filipinos unless the powers agreed to respect their sovereignty was defeated in the senate without a

Submarine K-5 Missing.

Washington.—Despite the continued absence of any word from submarine K-5, missing for three days naval officials here including Secretary Daniels and ranking officers in the department were confident that the underwater craft had not come to harm.

They believed the vessel either was proceeding as ordered to Key West or had developed some trouble with its engines which caused its temporary separation from its sister ships. Every effort to locate the K-5 however was made. Captain Bryan, commandant of the navy yard at Charleston, S. C., the nearest station to the point where the vessel was last seen, was ordered to direct a thorough search. He advised the department that three destroyers, two coast guard patrol boats and the buoy tender Mangrove were searching for the K-5.

Ship Bill Introduced in House.

Washington.—The government ship purchase bill framed after extended conferences between administration leaders in congress and other high officials, was introduced in the house by Representative Alexander and was referred to the merchant marine committee, of which he is chairman. Hearings will begin shortly with a view to expediting consideration of the measures as much as possible. The house generally is expected to pass the bill but despite changes made strong opposition is anticipated in the senate.

BILIOUS, HEADACHY, SICK "CASCARETS"

Gently cleanse your liver and
sluggish bowels while
you sleep.

Get a 10-cent box.
Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months. Adv.

Left His Eye on Guard.

An Irish soldier had lost his left eye in action, but was allowed to remain in the service on consenting to have a glass eye in its place. Being a typical "absent-minded beggar," he appeared on parade one day minus the left "window."

Said the adjutant: "Nolan, you are improperly dressed. Why is your artificial eye not in its proper place?"

Like a flash came the reply: "Sure, sir, I left it in my box to keep an eye on my kit while I am on parade."

Kidney Trouble Causes Sleep- lessness, Dizzy Spells

I have great confidence in your medicine, called Swamp-Root, as I have tested it thoroughly. I had kidney trouble for several years and found no relief, until I took Dr. Kilmer's Swamp-Root. The doctor said my disease was kidney trouble of the worst kind. I had pains in my back, dizzy spells and fever. Had a languid feeling and could not sleep on account of having to urinate so often. The doctors told me that I could not get well, but I am well now and feel better than I ever did. Can sleep well and am not bothered any more with my kidneys. Have never taken a dose of medicine since the last bottle of Dr. Kilmer's Swamp-Root. My age is 55 years. Have resided in Darlington 20 years.

Yours very truly,
W. A. LEE.

Matched the Excuse.

"Lend me a fiver, old man; I'm clean broke."

FALLING HAIR MEANS DANDRUFF IS ACTIVE

Save Your Hair! Get a 25 Cent Bottle
of Danderine Right Now—Also
Stops Itching Scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its luster, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any store, and after the first application your hair will take on that life, luster and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
